New Year's Resolutions for Our Life in the Church

The following is Fr. Kyriakos' Sermon from Sunday, Dec. 31.

Christ is Born! Glorify Him!

Tomorrow, we will celebrate New Year's Day! A new year gives us a fresh start. For some the change won't be a big deal. It'll feel just the same as December 31. For some 2023 was a good year and we don't want it to end. For some 2023 was a bad year and we can't wait to start fresh.

Many of us have resolutions when it comes to the New Year and some do not. Could be various things like losing weight, reconnecting with lost friends, starting a new hobby and the list goes on and on.

But how many of us are making New Year's Resolutions for our life in the church. Resolutions that will make our Christian Role in our life front and center. Well, today I want to help you with that list. It's a simple list of 10 things. I did not come up with the list. I borrowed some from Fr. Andrew Stephen Damick who actually has a list of 14 New Year's Resolutions for Orthodox Christians.

Here is the list:

1. Come to church more...
2. Come to church on time...
3. Tithe...
4. Pray at home with your family
5. Come and talk to a priest
6. Invite Someone to church
7. Visit a Monastery
8. Volunteer
9. Go to confession

10. Read a little bit of the Bible each day or Spiritual Book

Ok. So let's break them down.

Number 1. Come to church more. Here at Holy Trinity, we offer at a very minimum, One service per week. It's usually the Divine Liturgy on Sundays. But we also have weekday Divine Liturgies, depending on the calendar and also Paraklesis once a month. This week we have a couple extra services that we usually don't celebrate as we celebrate Theophany like the Royal Hours and the Blessing of the Waters.

Number 2. Come to church on time. A lot of church communities know that most people show up late and will be here at the end of the service so they choose to give their homilies then. Here at Holy Trinity, a majority of the time we give the sermon after the Holy Gospel which is the correct spot. As we give the sermon, the Narthex is piling up with people and when the sermon is over the church gets flooded. At that point at least 30-45 min of the service has taken place. Some people complain that our services are too long, usually the same people who show up after the sermon or after the gospel. Well, if you are showing up after the sermon you are really only here for 30-45 min. That's not a lot of time at all. Those same people will complain that the service is always the

same. Well, for them it is true. The substitutions and changes in the hymns happen before the Gospel Reading. So, come on time.

Number 3. Tithe. Tithing typically means giving 10% of our income to God. That was what God told the people to do in the Old Testament. In the New Testament, he actually wants everything. Still if we aren't willing to give everything at least we can give 10%. If we aren't giving 10% maybe we can slowly make our way there. If we break down our monthly spending on things like Netflix, Internet and Cell phone that is probably way more than 10%. We will be kicking off our 2024 Stewardship Campaign on Sunday, January 21. Please start thinking about how you will give to the church in the new year. And THANK YOU to everyone who has been so generous in their donations of time, talent and treasure to this beloved community.

Number 4. Pray at Home with your family. Our goal is to have a relationship with God. If we are alone, we can pray by ourselves. We can pray the Jesus Prayer. We can pray the Pre-Communion prayers the night before we receive Holy Communion. And the Thanksgiving prayers on the afternoon after we receive Holy Communion. There are many prayer books and I know our gift shop has

many of them. Many can also be found on line. If we are married, our journey to salvation is with our spouse, so praying together is so very important as we help each other on the way to salvation. If we have a family with kids, instilling this in them is also very important.

Number 5. Come and talk to a priest. Many people have questions but are too afraid to ask. Many need someone to talk to. We aren't necessarily therapists but our goal is to help you along your path towards salvation. We are fortunate here at Holy trinity to have 2 full time priests and even have a few who help us on Sunday. We are normal people just like everyone else. We are indeed called to higher standard but we are also called to help people along the way.

Number 6. Invite someone to church. The prevailing statistic is that 82% of the unchurched say they would come if they were invited. And guess what, that doesn't mean the priest or pastor. That means the faithful parishioners. Invite your friends. It has been great to see some of our GOYANs inviting their friends and now they are actively participating in our ministries and hopefully one day will come into the fullness of the faith. It is our job to spread the Good News and inviting people to church is one way to do it.

Number 7. Visit a monastery. We are blessed to have 2 monasteries close by. Both

are very close to Ocala. Annunciation Monastery is the women's monastery. Panaghia Vlahernon is the men's monastery. Our young adult group, OPA, goes often to visit and help at both. We are fortunate to be so close. They are the only 2 Greek Orthodox Monasteries in Florida. The next closest are in North Carolina. Both Presbyteria Elefteria and I have very good relationships with both monasteries. If you want to visit, please come and ask us and we would love to help you make that happen.

Number 8. Volunteer. We have so many opportunities to volunteer here at Holy Trinity. But today, I want to specifically talk about 2 areas. The first is Coffee Fellowship. For many many years, David McMahon has been single handedly setting out all of the coffee fellowship items including coffee, drinks, and some food items. He has been sick lately and hasn't been able to get back to making the coffee for us. He is indeed doing better but it is really sad that he has been doing it by himself. Since he hasn't been able to make coffee, several families have stepped up to help but we are still lacking in this area. If you are interested please contact me or Joyce. The second volunteer opportunity is Tables Extraordinaire. That whole week we need help and before. Look in the bulletin today and you will find a QR code. Check it out and sign

up. We want to see new faces helping out. It is really a fun event. If you have worked at TE before, please consider asking someone to come help with you.

Number 9. Go to confession. This is the most underrated Sacrament of the church but probably the most important. We must confess our sins. If we don't we will have to account for them at our judgment. Also, if we hope to free of the sins that affect us, confession will help. If you haven't gone before, don't be shy. Fr. Constantine is the only one of us who can hear confessions. Some people choose to go to other places like the monastery, that's ok, but if that is the route you want to take, at least come and have a conversation with us before you do so.

Number 10. Read a little bit of the Bible each day or Spiritual Book. Download the Daily Readings App or subscribe for the daily readings to be delivered to your email. There are many resources that offer reading the Bible in a year. Utilize one of them. And finally, stop by our Gift Shop and pick up a spiritual book to learn more about your faith.

May God Bless you and your family and may you have a Happy and Healthy New Year. Amen.
